Forty and Eight donate flags

Del Bartels

Members of the United States Veterans' organization, the Forty and Eight, gave an annual presentation to Jayne Gottsleben's first grade class on proper ettiquite concerning the United States flag. After seeing an illustration done by the voyageurs on how to correctly fold a flag, and hearing the men give the reasons behind it, the students did some hands-on practicing. The students then each received smaller flags. Shown with the class are Forty and Eight members, from left, Phil Pearson, Les Pearson and Ron Millage.

Seniors open time capsule

Courtesy Photos

The Philip High School seniors in Laura O'Connor's English class were visited by Karen Rembold, their teacher when they were in second grade in Philip. She had with her a time capsule full of letters the students had written to Santa Claus and letters they had written to themselves. Rembold, now living in Spearfish, retired in 2008 after 39 years of being an elementary instructor. One of her last quotes in the *Pioneer Review* in 2008 was "Philip has been very good to me. I've gotten more out of Philip then I could ever give back." The time capsule was an appreciated giving back, as was stated in the next day's school announcements, "Thank you, Mrs, Rembold, for being with us to open our second grade time capsule!," PHS Class of 2015. Shown above are the current seniors who were in Rembold's second grade class, displaying their letters. Back row, from left, are Justina Cvach, Lexa Crowser, Katie Haigh and Ted'Dee Buffalo. Second row: Blake Puhlman, Tristen Rush, Nelson Holman and Rembold. Front: Afton Burns, Katlin Knutson, Amanda McIlravy and Hanna Hostutler. At right is Mrs. Rembold reading aloud the letter she wrote to the kids when they were in second grade to be opened when they are seniors.

Regional spelling bee winners

The top five finishers from each grade of the annual Haakon School District spelling bee competed in the regional West River Spelling Bee in Murdo, Thursday, May 14. The Haakon area first grade finishers included Creston Burns earning second place, Mia Fitzgerald getting fourth place and Baylor Burns taking fifth. For the second grade, Trey Larson got third place, while Race O'Connor came home with fifth place. Third grader Wakely Burns earned first place. The eighth grade swept the competition, with Morgan Cantrell, Aitanna Nadala and Jasmine Ferguson respectively taking first, second and third places.

Class of 2015

Del Bartels

The Philip High School Class of 2015 went through baccalaureate and graduation ceremonies, Saturday, May 16. "Today is about everyone who has ever helped us," said Parsons. "These are the things we will miss; moms, dads, brothers, sisters. We are the future ... gag, but we really are the future. We are pretty great as we are. As we go out into the world, let's just be us. Every single one of us will make a difference." Salutatorian Nelson Holman said the Class of 2015 is a humorous and fun class, diverse, "basically involved across the board." Nelson continued, "Make hard decisions every day; always a meaning in the things we do. We can search for the positive within; lessons that we will keep and remember. Love is eternal, and I will love this class eternally."

Let there be smiles, tears and hugs. Brett Carley seems to agree, as she hugs her grandfather, Phil Carley.

Philip ambulance service's bike rodeo

Del Bartels

In coordination with National Emergency Medical Services Week, the Philip Ambulance Service, with help from the Philip Volunteer Fire Department, hosted their annual bicycle rodeo, Monday, May 18. Over 30 kids from preschool through fifth grade brought their bikes, so the riders and the bikes could be tested for safety before summer gets too far along. Some helmets were available at no charge to kids who needed them. Snacks and drinks were also available. Shown are Rainee Snyder, Camden Fitzgerald and River Drury with helmets, and local emergency medical technicians RaeAnn Snyder, Lori Quinn and Ashley Scheessele in back. The bike checkup and riding tests were done in the fire hall and around the Fire Hall Park.

Scotties place at WGPC meet

The Philip Scotties track and field team competed in the Western Great Plains Conference varsity and junior high track meet in Presho, Friday, May 15.

"We had (a) very good meet in Presho for the WGPC," said Philip head coach Tom Parquet. He added that Philip had one more state qualifier, Deontae Thorn, in the 100 meter dash, and that another bettered their state qualifying height, Garrett Snook, in the pole vault.

Out of 10 schools represented, the Philip girls earned fourth place as a team. The Philip boys earned second place as a team.

"We are improving," said Parquet. "We had several personal and season best performances. Hopefully this will carry over into regions and we get some others qualified for state. The WGPC junior high track meet was a good success as well."

The Scotties prepare for the region meet, hosted by Lyman, Thursday, May 21. The State Class "B" Track and Field Meet is Friday and Saturday, May 29-30, at the South Dakota School of Mines and Technology's O'Hara Stadium in Rapid City.

Scotties compete in region golf

The Philip Scotties golf team competed in the Region 6B golf tournament, Thursday, May 14, at Hart Ranch. The play was to determine which teams and which individuals will advance on to state at Yankton, May 18-19.

"The Boys Regional golf tournament at Hart Ranch Thursday proved to be as tight as the pre-regions, with seven teams battling for the top two spots that would put them into the State Tournament Monday and Tuesday at Yankton," said head coach Doug Hauk. "Tristen Rush shot a great round of 37 on the front nine to get the boys started, and Logan Hand and Trew DeJong shot their best rounds at Hart Ranch. Keagan Fitch came in a little behind those two, but was enough to give the team the lead going into the back nine."

"The wind really picked up and the temperature dropped with some light rain as the boys started the back nine, and the scores took a big jump. But the boys kept it together to win regions and advance the team to state," said Hauk.

The Philip boys' three-man score of 305 put them five points in front of second place Newell's 310. White River ended with a team score of 312 for third place, and Bennett County came away with a team score of 315.

Rush shot a 37+48=85 to take the medalist honors. Rush ended last year's Class B state tournament in second place.

"The girls finished third, just out of reach to take the team to state. Josie Rush and Peyton DeJong qualified for state individually, with Madyson and Dixie coming up short of the qualify score to make it to state, but gain some valuable experience for next year. Over all, the kids played a great tournament," said Hauk.

The top girls' team was Hill City, with a total score of 332. Wall came in second with a 342. Philip's 389 got the Scotties third place, while Bennett County came away with 420 for fourth place.

WWI postcards in digital archives

The South Dakota State Historical Society-Archives at the Cultural Heritage Center in Pierre recently added a collection of more than 90 postcard images of World War I to the South Dakota Digital Archives.

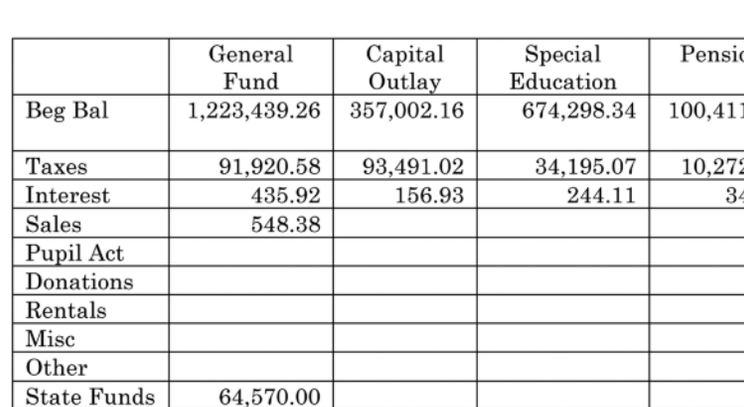

The postcards are mostly of French and German soldiers in uniform and towns in France and Belgium destroyed during the war. Although fighting occurred worldwide, the bulk of the fighting in Europe occurred in Belgium, Luxembourg, France and Alsace-Lorraine along what came to be known as the Western Front. The postcards also include images of World War I trenches, tanks, airplanes and a motorcycle.

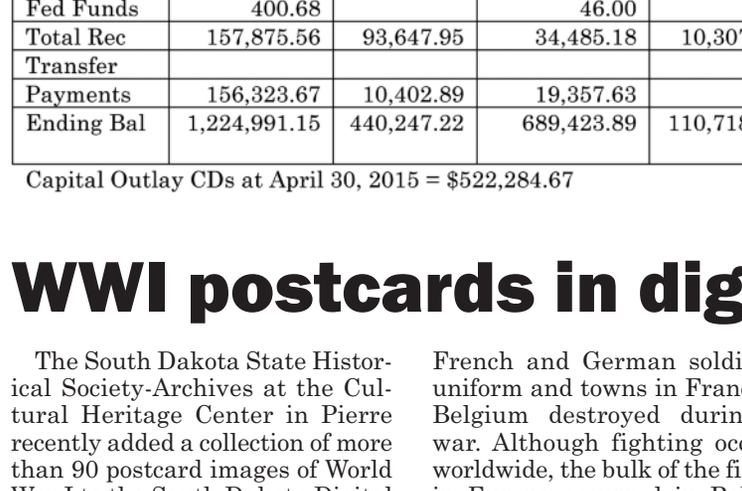

The World War I postcards are accessible by visiting the State Archives website at history.sd.gov/archives and clicking on the "World War I" link.

The SDDA, an online resource launched in January 2012 by the State Archives, provides researchers digital access to unique historical records. There are currently over 60,000 images available for viewing. The SDDA also contains government and manuscript materials comprising accessioned collections, publications, brochures, audio and video files, and survey notes. More items are added regularly.

The photograph digitization project is funded by private donations and grants. Those interested in sponsoring a photograph collection can contact the South Dakota Historical Society Foundation at (605) 773-6001.

The South Dakota State Historical Society is a division of the Department of Education. The State Historical Society, an Affiliate of the Smithsonian Institution, is headquartered at the South Dakota Cultural Heritage Center in Pierre.

(continued from last week)
Our big tree if front of the house may not make it. We won't know until the sun comes out and melts the snow and ice off. The same with the trees in the draw behind us."

Sunday, the town was pretty much at a standstill with all the wet snow that arrived during the night, church was called off. Tony Harty stayed home and cooked up his turkey breast and enjoyed TV.

A belated Mother's Day greeting. Mother's Day was put on hold with the snow blocking roads and the café lost electricity, so things were really quiet. We are thankful for the blessed moisture, keeping those less fortunate who received tornadoes and flooding in our prayers.

"Just as a tree without roots is dead, a people without history or culture also becomes a dead people." Malcome X (1923-1965)

(this week's news)

Good morning from Kadoka. What a difference moisture makes. Everything is turning that beautiful green color. The hum of lawns being mowed between showers rings out in the quiet of the afternoons. We are thankful for the rain, sunshine and new growth.

May is Beef Month, kiss a cow or maybe a cowboy! Congratulations to all the graduates near and far as this school year comes to a close and high school graduates will embark on new adventures.

Sandee Gittings went to Pierre Monday to attend schooling for her job and returned home Thursday afternoon. Wade, Jessica and Melodie McGruger brought supper out for George Gittings Monday evening.

Monday our gauge showed 1.5" of rain and no tally on the amount of moisture the snow yielded. It was a very wet snow, but by Monday it was pretty well melted down except for a few drifts and where snow was piled. You can almost see the grass growing.

Tuesday afternoon, Don Moody came by the Sumpters' with some picture albums to share, some tea to give us and to visit. I kid him about being a "bag man". He usually has several bags of items to share or show.

Tony Harty did his usual, collecting of the mail and making phone calls all week. He did report that his mouse trap line yielded some mice. All in all he had four over a couple of days time. He said one was pretty sharp because it ate all the peanut butter off and didn't even get caught.

Wednesday morning, I was driving the Haakon County Prairie Transportation van to Rapid City with a client. After I got home, I discovered the city dump was open for accepting tree branches and brush as a result of the storm. We had one fairly large branch that was broken and I couldn't get the chain saw to run, but managed to manually saw it off and get the place cleaned up of other smaller branches and hauled out. Sawing that one branch took me almost an hour! Bill managed to get the motor home greased, then slipped off to Philip for cards.

Don Moody kept a doctor's appointment in Philip Wednesday afternoon, then he and the dogs proceeded on to Rapid to spend some time at the Rapid Valley place. Susan Fellows, the tenants up there, fixed him up with a supper of chili and corn bread. Just what a southern fellow likes.

Cathy Fiedler reports that in Sturgis they had an inch of rain Thursday night and another half an inch Saturday afternoon. The draw is running behind their house and Whitewood and Spearfish creeks are running good.

The crew that was working on the water tower by Terry Buchert's left Gittings' Friday morning. George and Sandee Gittings went to Rapid City Friday morning and picked up Roxie Gittings, then went on to Cheyenne, Wyo. They met Robin Gittings and Kristi Eden, Bryce Dickerson, Kelsey Gittings and two friends, and Wade, Jessica and Melodie McGruder for supper. All attended Kelsey's college graduation in Laramie Saturday afternoon. All returned to their homes Sunday.

Work kept Ralph and Cathy Fiedler busy this week. Friday, they picked up buns and granddaughter Caitlin Klumb's graduation cake from a Sturgis store and took them to Spearfish to Lynette and Don Klumb's. They visited for a bit with Lynette and went over things needed for the graduation reception. It was making a list and checking it twice. Ralph and Cathy had lunch and did their shopping before heading home. Cathy spent the rest of the day getting her food ready for Saturday. Saturday, they went to Spearfish to attend the graduation of Caitlin Mae Klumb at Spearfish High School. Richard and Diana Stewart, Philip, Donald and April Klumb and Ayden, Casper, Wyo., were the out of town guest. Also attending were Lorene Klumb, and Renee and Jasmine Klumb. After graduation, they all met at a motel for the reception. A great afternoon and evening was enjoyed by all.

I would hate to think how much rain we would have gotten if I'd washed all the windows in the house! We received another .02" Thursday. We were surprised to receive a phone call from Marilyn Aasheim, now living in Kallispell, Mont. Marilyn and her friend, Art, were interested in our farm so many years ago and she was just touching base with us. We may be looking her up if we make it to Glacier National Park.

Friday arrived shrouded in fog. The fog hung around for several hours in the morning. Tony Harty stopped by our place for a visit in the afternoon and to catch up on reading the papers and beat me at a couple of farkel games.

Tom Foley stopped at our place Friday afternoon and looked over a 504 Farmall tractor we have for sale in our front yard. Had a nice visit with Tom and found out that Mark and his family now live in Vermillion where Mark is in law enforcement. We got rain in the evening. All total we had an 1.60" of rain overnight.

Saturday, Tony Harty went to the auction that was going on at the east end of Kadoka. While there, he had a nice visit with Dan Oldenburg, Philip, and Bill Stone from town.

Saturday, I took a client to Rapid City with the HCPT van. The Cheyenne River was out of its banks at Wasta, closing the rest areas.

Don Moody spent the latter part of the week at the Rapid Valley home. He got together with Blake Thompson on proceeding with the remodeling to be done Saturday.

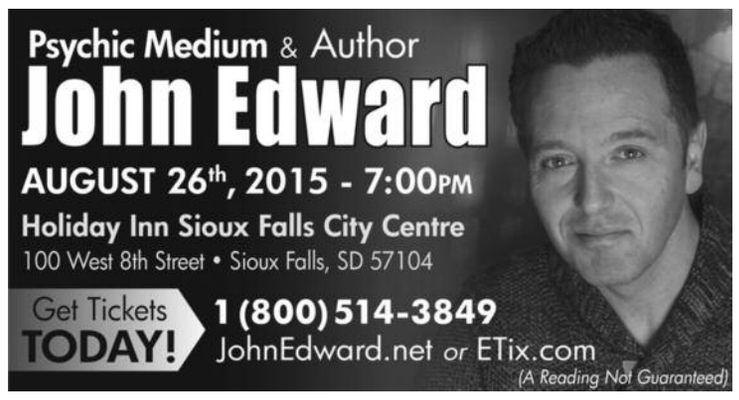

Sympathy is extended to the family of Arline Petoske from the Midland area. Arline was a talented artist and enjoyed ceramics.

Our rain gauge showed an inch of rain Sunday. Ken and Lynn Hartman from Chattanooga, Tenn., arrived at our place in the afternoon after battling the wind all day. They will stay with us for a few days and attend a meeting of the Rose Cemetery folks at the cemetery northeast of Wall weather permitting.

Sunday after church, Tony Harty attended graduation and a reception for eighth grader Katie O'Daniel and high school graduates, Jed Brown, Herbie O'Daniel and Aaron Janis. Tony took a drive south on Highway 73 to see how high the White River was. It was flooding at the bridge there. He drove toward his brother's place, Bernard Herber, and a lot of the low lands were underwater leaving some cattle needing to be moved to higher ground. He visited Carol Solon and they also had the White River lapping at their low lands. He turned north on Highway 73 and the draws were running full under the highway. He checked in by Don Moody's place and the buildings and such were fine, but the alfalfa bottoms were getting watered.

A blessed week to all and be sooever thankful for the wonderful rain received.

"Ode to a Farmer – A farmer is tomorrow's breakfast, with a grin on his face. He carries nations on his shoulders, and holds the earth in his hands…and lives by the sun and the rain. He's America riding a tractor…democracy wearing a straw hat! A farmer is freedom, holding a hoe…and the future of the world in a pair of blue overalls."
